SmarTrack
AGILE ASSET TRACKING & MANAGEMENT

SMARTRACK is a fully automated, electronic software application and asset management system. SMARTRACK provides inventory management, asset tracking, maintenance management, and parts management. SmarTrack comes in several customized versions. All versions include the use of optional 2D tagging, Radio Frequency Tagging, GPS Tracking and Real Time Live Tracking of people and equipment for the Department of Defense environment. SMARTRACK is DOD approved, certified for DOD network, and is on a DOD AIT V contract and GSA schedule.
